MahoMori   in maho-morinaga   </> MY PORTFOLIO

Career Objective

Seeking to be a front end developer focusing on React. Currently a student in Canada studying web application development.

Having started walking the tech path last year, I am very ambitious and passionate about coding. Diligent and hardworking, I am eager to learn new skills and help the company and my coworkers achieve their goals.

Skills

Languages	HTML5, CSS3, SCSS, JavaScript
Frameworks and Libraries	React, Material UI, styled-components
Systems and Databases	Git/Github
Other	Figma, Illustrator, Photoshop, Microsoft Office

Projects

Grocery Budget Calculator (React.js, Redux toolkit, TypeScript, styled components) Mar, 2022
The web application that keeps track of budget. The users input their budget, and the app calculates and shows how much they can spend within their budget when items are added.

Space Gallery (React.js, styled components) Jan, 2022
The image gallery that users can like and unlike pictures using NASA API.

To go/To do List (React.js, Redux toolkit, Material UI) Dec, 2021
The website that users can add, edit and delete lists of places to go and things to do.

Cocktailedge (React.js, Material UI) Nov, 2021
The website to search cocktails by name and ingredients using TheCocktailDB API.

UDI Lab (HTML, CSS, SCSS) Sep, 2021
The landing page design for Unnatural Death Investigation Institution (fan made website based on a Japanese drama).

Light Night Lamp (HTML, CSS) Aug, 2021
The e-commerce lading page design for the store selling lamps.

Professional Experience

GAKUHOU-SHA, *Editorial Assistant* September 2020 – March 2021 | Aichi, Japan
- Read through and corrected numerous spelling and grammar mistakes in drafts for English workbooks.
- Not only pointed those mistakes and unnatural use of English, but also suggested alternatives

KSG, *Catering Assistant* November 2019 – August 2020 | Dublin, Ireland
- Served customers at a sandwich bar with a welcoming attitude while always thinking what should be done next to make the waiting time as short as possible

BESTTECH Co., Ltd., *Editor/Translator* April 2017 – July 2019 | Aichi, Japan
- Translated 100 pages of an airplane manual in 2 weeks and finished double checking and styling the document in 2 weeks
- Delegated group members with tasks in their field of expertise to finish revising about 220 drawings smoothly

Education

CICCC - Cornerstone International Community College of Canada May 2021 – present
Web and Mobile Application Development | Diploma
